

Mission Statement:
‘Live, love and learn through the light of Christ.’

Live

Live like Jesus commanded us to do by spreading God's Word, so that others may encounter God's love. In this way we can make each other happy through selfless acts of kindness.

Love

Love and unity for all people as we are all equal in the eyes of God, especially those in our school, communities and parishes through discipleship. This is so that we foster compassion, empathy, inclusivity and respect in our school.

Learn

Learn to listen, discern and understand one another in order to become missionary disciples. May our love of learning make us passionate to be able to make a difference. This will help us to use our skills to care for our common home and for the greater good of others.
