## PE Funding Evaluation Form

- It is intended that this template should be used as preparation for the completion of the statutory digital reporting tool being introduced this academic year. You can upload data (including swimming) from this template onto this platform once it becomes accessible.
- Before you decide how you are going to use the funding for this academic year you should reflect and evaluate the impact of your use of the funding in 2023/24.
- All spending of the funding must conform with the terms outlined in the Conditions of Grant document.
- The template is a working document that you can amend/update during the year.
- Based on your evaluation of last year's funding you should decide what you intend to do this academic year, how you will do it, and what impact you expect it to have.

It is important that the funding is used effectively and based on your school's needs.

- You must use the funding to make additional and sustainable improvements to the PE and sport in your school.
- You must develop and add to the PESSPA activities that your school already offers.

*Summative digital reporting from June 2025 will continue to include swimming and water safety information therefore funding can be used to provide top-up lessons where necessary to ensure pupils meet national curriculum swimming requirements.*

## Review of last year 2023/24

**We recommend that you start by reflecting on the impact of current provision and reviewing your previous spend**

What went well?	How do you know?	What didn't go well?	How do you know?
After School Clubs run by LCFC	Pupils provision stretched beyond school hours. Changes were made to these to ensure coverage of year groups was more consistent.		
Involvement with LCFC for stadium tour & competitions. Author visit at LCFC stadium for selected children.	Pupils enjoyed the stadium tour and competitions, those involved all had a great time.		
Peplanning.org subscription	Delivery of PE in school shows much improved progression and teachers are more confident and happy delivering PE.		
Gymnastics lessons	100% of staff felt more confident delivering gymnastics after observing premier education coaches deliver.		

## Review of last year 2023/24

Enrichment lessons in KS1	Children got chance to partake in balance bikes helping their balance and coordination.		
Sports Day & Eiffel Athletics WOW day	Children and parents enjoyed a new format to the Sports day which was a combination of both traditional track events as well as new field events. Parents offered lots of positive feedback and how they felt more involved. Eiffel Athletics helped children understand a little more about the Olympic games and children enjoyed competing.		
Table Tennis Tables	Pupils are given a further opportunity for an active lunch.
